The Center for Pregnancy Choices – Metro Area

CPC Metro is a non-profit organization offering women alternatives to abortions through Christ-centered services. Since 1988, we have been helping women rewrite their stories. We strategically address the demand for abortion through prevention, intervention, and extension services. We enter into the crisis of an unplanned pregnancy with each woman and walk alongside her offering personalized and comprehensive support from the first moment she finds out she is pregnant until long after her pregnancy decision. We offer a holistic approach to meet the needs of the whole woman--physically, emotionally, mentally, and spiritually.

Free Client Services Include:

- Pregnancy Testing
- Ultrasound
- Options Counseling
- Abortion Recovery
- Parenting Support
